Q2 Results Herhofer Space Group

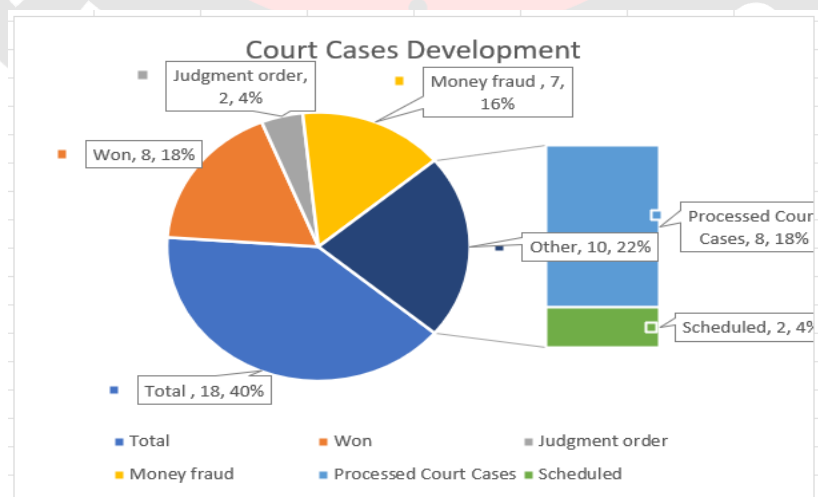

Envisioning our private space agency for passengers' flights in space, we progress steady move forwards in the business high visibility.

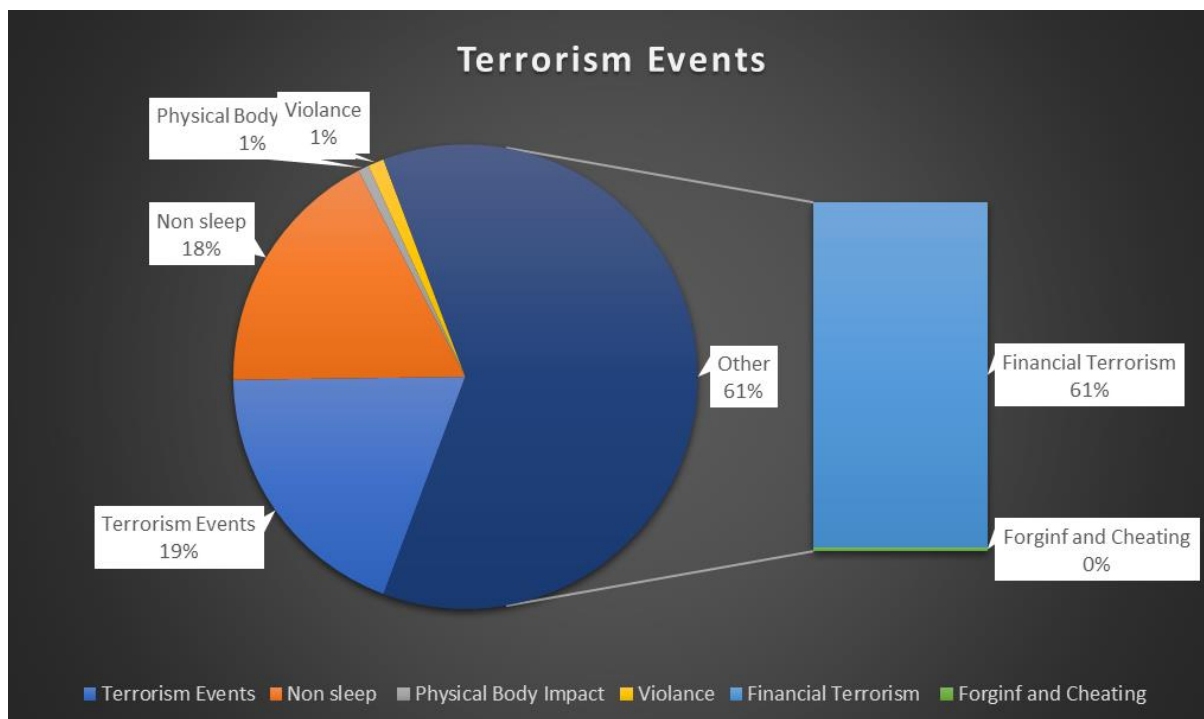

Financial instruments in Herhofer Space Group show on display high contrast of business engagement with the public society and third-party businesses involving more and more effective earning.

Given, we provided payment facilities since 15/08/2023 in GBP transactions, we added court ruling we won major initiation case paid in HNW and transacted in GBP we cover all UK financial laws and regulations bout any private currency launch on UK Financial Capital Markets.

Herhofer Space Group major effort is to propagate flowless business activities we gathered intelligence most dangerous act we outburst launching fixed rate HNWGBP £1 in case BTCGBP £0 constant rate, our business intelligence discovered major events obstructing business, evolving in:

- terrorism event
- physical contact terrorism events
- violence terrorism events
- financial terrorism events
- forged and cheated court cases terrorism events

Herhofer Space Business Intel CT600 define terrorism event any recidivism event in number greater than 1, endangering the project under law regulations, examples:

- cheated claim over our property by third-party not at any side of the case HSBC UK v Lorenz Herhofer
- cheated court order for money judgment
- health devastation events not sleeping for month, neighbour cannot be forced by any police activity to keep quite hours, who is working for Martin Pendergast at present discovered participation in market price manipulation cartel £780,000 flat represented £280,000 and monthly rental income above £4,000 represented as £1270
- major UK businesses listed in our present case in breach of court rulings we won and court ruled in our advantage to pay in Herhofer Net Wroth in Great British Pound transactions

Our Herhofer Space Business Intel CT600 intelligence delivered the situation to 0% terrorism, last year onboarded Director Space Counter Terrorism Emma West, continuously keep to ground 0% terrorism events. We believe, Director Emma West I high performance employee as we expect any of our PhD at Herhofer Space Research Institute or Herhofer Space University graduate to achieve performance equal to board of directors minted lower acceptance offer:

- AAAA+
- A Maths
- A Linguistics
- A IQ Test

- A Arts
- Interviews

From that point of view, where the experience of space is comparable to constant war, meaning space is extreme hostile environment, we believe Director Emma West graduating PhD this July 2024 in Counter Terrorism, bring on board fly start for our hostile environment defined above as terrorism events to flight London to Geneva with British Airways,

We account, that flight to Mars we prove is possible, thanks to our Director Space Counter Terrorism Emma West, PhD at Herhofer Space Research Institute.

We continue, improve work on our Herhofer Net Worth currency, expecting more information after 01/07/2024 when we will publish Galactic Services Space Ltd annual corporation tax return, include

- Galactic Services Space Ltd

We, Herhofer Space Group Board Of Directors expect, this case to be turning point of all complains against use Herhofer Net Worth,

Actually, the companies are

DO NOT USE GREAT BRITISH POUND, because the transactions are in Great British Pound,

We believe in humanity, and all things human, at the final we expect to turn over the bunch of gangsters allocating the huge list of businesses at criminal side including FCA and HMRC get in criminal offence group.

I am wondering if FCA can define bank like Herhofer Space Bank, all bank definitions are grounded on LOANS and DEPOSITS our bank is MY S O L OWN MONEY

We sold shares to Me..... H130,000,000 high price 😊 initial public offer was H50,000

Closing this round cap, Herhofer Space Group launched successfully full blown space program at <https://herhofer.com/download>

Our communication, high performance currency and negotiation skills of Herhofer Space Group Board Of Directors delivered two CEO

CEO Switzerland, a woman will protect her identity at present stage, (hmuhh, if she yell Is ok, we cannot stop this)

CEO Japan, a man we presume he will be Ok
