# SUMMARY

The case started during Priti Patel Home Office Secretary I asked for Help. Than I identified Vesselin Vassilev avoid return my patent Suprespeed RTM SDLC, now is HEIST Herhofer Space Bank proven in case Charles Windsor three verdicts, William executed 800 days military crime.

- 1) Heist Herhofer Space Bank
- 2) Unloyal Competition Japan – Spacec Armed Forces Of Herhofer Space Group Japan, contract of MoD gone and government fall
- 3) Not paying Licenses

Vesselin Vassilev to avoid paying H480,000,000 reimbursement CIA identified the case and Bulgaria is blacklisted of IP monitoring, China entered WPO membership. Elon Musk steal patents in twitter, only opensource must grant license. My patents are H400T per user per month. Vesseli Vassilev recruited assassin Aleksei Petrov, later killed in kidnapping, identified John Wick terrorist gang – firearms.

Vesselin Vassilev is in Royal Peerage close to HSBC UK CEO – the case LOPP2128 starts here. The case started when I invented Herhofer Net Worth, on my exchange I delivered \$163,000 sending image of mobile wallet to my son – the platform works. We met again, he remarked crypto is difficult to use. It is not crypto it is HNW using Bitcoin and etherium transport, example is FPS and GBP, transport is FPS, currency is GBP. Eterium and bitcoin both carry same name. Than I refactored the solution to FCA HNW and SCRAM HNW. SCRAM HNW is the past HNW and FCA HNW is regulated in UK world global currency to simplify payments in the UK and the world globally. Next year 2022 January my bank account in February my Jaguar Was destroyed [evidence here](#), Lex Autolease repetitive events owe me £8,000,000 [CASE HERE](#), [contract excerpt](#) was closed for unknown reasons, I identified Terrorism Core in the area.

After July 2023 I onboarded Emma West Space Counter Terrorism Director at Herhofer Space Group. I changed the strategy letting the flat at AirBnB Alliance Managing Agents lost case LOPP2128 also they never been part of any case. Case is HSBC UK BANK v Lorenz Herhofer. Dear Owner

Please note the below important information in relation to your property at Rockley Court which is intended to keep all owners updated.

Please pass on this information to your tenants if you rent your property.

*If Alliance are contacted by Tenants' we will reply to request that tenants 'report issues to their landlord in the first instance and cc us on communications.*

*We let 'residents' know that these communications are issued to owners, so it is important you keep your tenants informed.*

### **Flat 34 Door (Re-possessed Flat)**

We are aware from reports of some concerns regarding Flat 34 and the action taken by the mortgage company to repossess this flat.

They have arranged for the installation of a steel door at the property which means access to the flat is restricted.

Please note if you witness anyone trying to force access to the flat, call the police on 999

We are aware that persons have attempted this recently and police have been called.

We are also aware that damage has been caused to the glazing on the balcony walkway and also graffiti has been written on the door.

This is criminal damage and the police are aware.

Repairs will be completed in due course, we are liaising with the mortgage company and solicitors on this matter

If you have any concerns in relation to the security of the block/feel threatened etc please **DO CALL 999** to contact the police.

### **Security – Criminal Activity/Anti-Social Behaviour in the area**

---

**Security – Criminal Activity/Anti-Social Behaviour in the area**

Call 999 if you feel threatened or need urgent attendance (don't assume someone else has reported an incident)  
The more people who report, the more likely police will attend and patrol the area.  
Advise Rockley Court has CCTV in place when you report an incident and be 'accurate' with times of incidents.  
We will provide the police with footage of incidents if available to assist their investigations.  
We do not provide footage direct to owners/residents
