Please pass on this information to your tenants if you rent your property.

If Alliance are contacted by Tenants' we will reply to request that tenants 'report issues to their landlord in the first instance and cc us on communications.

We let 'residents' know that these communications are issued to owners, so it is important you keep your tenants informed.

We are sure that all responsible landlords who rent their flats will do so.

Flat 34 Door (Re-possessed Flat)

We are aware from reports of some concerns regarding Flat 34 and the action taken by the mortgage company to repossess this flat.

They have arranged for the installation of a steel door at the property which means access to the flat is restricted.

Please note if you witness anyone trying to force access to the flat, call the police on 999

We are aware that persons have attempted this recently and police have been called.

We are also aware that damage has been caused to the glazing on the balcony walkway and also graffiti has been written on the door.

This is criminal damage and the police are aware.

Repairs will be completed in due course, we are liaising with the mortgage company and solicitors on this matter

If you have any concerns in relation to the security of the block/feel threatened etc please **DO CALL 999** to contact the police.

Security – Criminal Activity/Anti-Social Behaviour in the area

Security – Criminal Activity/Anti-Social Behaviour in the area

Call 999 if you feel threatened or need urgent attendance (don't assume someone else has reported an incident)
The more people who report, the more likely police will attend and patrol the area.
Advise Rockley Court has CCTV in place when you report an incident and be 'accurate' with times of incidents.
We will provide the police with footage of incidents if available to assist their investigations.
We do not provide footage direct to owners/residents
