Dear HIGH VALUEDCUSTOMER,

We would like to present financial notes and assumptions of Galactic Services Space, A Global Galactic Business at <https://herhofer.com>, The Financial Conduct Authority Small Payment Institution Registration IN PROGRESS, PRESENTING Financial analysis notes and assumptions.

Herhofer Net Worth is Planetary, Space and Interstellar Currency Referencing Services designated to satisfy our needs of HTOV Passengers' Spacecraft and further interstellar payments.

Our currency is divided in three scopes:

- Planetary, we funded it to cover and easing our Earth planet payments under FCA and HMRC AML Regulations Legal Tender in The Uk Great British Pound, for clarification there are four British Pound -
  - 1) Scottish Pound
  - 2) Northern Ireland Pound
  - 3) English Pound
  - 4) Celleste Pound (Herhofer Net Worth)
- The common name of the above is Great British Pound Legal Tender in The UK as well as all 1-4 separately are legal tender in the planetary scope
- Celleste Legal Tender - Herhofer Net Worth GBP/HNW £939.98 exchangeable only via [trade.herhofer.com](https://trade.herhofer.com), at present this service is not provided, the actual Planetary, Space and Interstellar Referencing Currency
- SCRAM Herhofer Net Worth Currency for Space and Interstellar payments, for example 1 BLOCK is H350 imperial centillion (606 digits in a row), living on Mars, we send H1 BLOCK to Mars branch and real time transactions Earth-Mars.
- We invented Herhofer Stargate SCRAM Network to transmit our SCRAM Herhofer Net Worth at our Global Galactic Business and Space Financial Logistics
- At the moment we pay EQU stage equal to EURO launch EQU, so please accept our EQU cheque that represents UK Legal Tender Great British Pound in cash of equity of £20,996.50
- We also attached FCA SMI Financial Analytics sheet to present our present issue of H125,000 in cash equity for 2023-2024 financial year and present spending of H7,218.46
- Please, accept our cash to cover my mortgage arrears

We read other currencies and we stopped at the EURO currency launch implementing our own currency, Herhofer Net Worth.

We created Herhofer Net Worth in a sequence of stages:

- Inventing Herhofer Net Worth Money Concept of design, valuation, implementation, advertising and maintenance during its lifetime.
- Herhofer Net Worth is Planetary, Space and Interstellar Currency under the registered trademark of Herhofer Space Research Institute. Finally, we do only the above money and payments expected under a Small payment institution, no customers, no deposits, no third parties, we are HMRC exempt from money laundering Bill Payments Only.

We use our own currency only and the amounts shown in our patents derivation.

We do not provide any third party services, no currency exchange, Herhofer Net Worth is convertible to £1 like Great British Pound, Scottish Pound, Northern Ireland Pound pointed at - <https://trading.herhofer.com>

Even though we won two cases over government bodies like Companies House and London Borough of Hammersmith and Fulham, they forcibly rejected regulated FCA and HMRC Private currency, including forged cheque.

We believe it is our right to show our success and launch business on the next level by registering small payment institutions for micro business.

Your sinclair,

*Lorenz Herhofer*
