Dear Westminster Magistrates Court,

LOPP2128 missing way to take payment of court fee £119.00

Second letter returned case with the same fee £119, where my
fees are £10,000 two claims

There are 2 claims against FCA Authorized businesses rejecting
my Herhofer Net Worth Cash Cheque, in offence provide fake
details to credit agencies:

equal to 5% of the claim multiple offences in evidences

business banking financial offence and cash cheque
H10,000
 - o Personal Banking I raised unauthorised and unfamiliar
transaction £19 from unidentified seller. Lloyds Bank
Personal Banking accepted my rejection, than reverted.
The transaction is fraud, evidence attached.
 - o Business Banking rejected my Herhofer Space Bank
cash cheques and deducted fees of unprocessed
cheques, I seen the same in Personal Banking where

they reviewed the cash cheque of Herhofer Space Bank and returned Bank not exists. I concluded Business Banking deducted cheque processing amount in fraud, consequently closed my BACS indirect participant payments, force me unable to proceed my Herhofer Net Worth and forget it is Crypto instead of FCA Regulated Private Currency £1 fixed

Both FCA Authorised Businesses are in FCA Handbook, and UK Financial Laws and Regulations in offence

Emma, please report the offences to FCA, I am escalating to Criminal Court as Wandsworth County Court reject my claim of total £450,000 reimbursement rejecting UK legal private currency cash cheque payments in GBP

Now, FCA Billed my Herhofer Space Bank cash cheque and criminal financial offence rejecting GBP payments and payments of private currency surfaced
