ENDORSEMENTS

Any one claim costs in addition

Section of cover 1a (professional liability – civil liability) is deleted and replaced by the following:

a CIVIL LIABILITY

We will pay **you** for **your** legal liability for damages and costs awarded against **you** arising from any claim first made against **you** and reported to **us** during the period of insurance shown in the policy schedule which arises from any actual or alleged

- negligence
- unintentional breach of confidentiality
- unintentional breach of copyright
- libel, slander or defamation
- any other actual or alleged act, error or omission that results in a civil liability committed during the carrying out of **your professional services**.

In addition **we** will pay **your costs and expenses** resulting from the claim.

WHAT WE WILL PAY

The most **we** will pay for any claim or series of claims arising from the same original cause is the **limit**.

- In addition **we** will pay **your costs and expenses** resulting from the claim, however,
- If **your** legal liability is greater than the **limit** then the amount **we** will pay in respect of **costs and expenses** will be proportionately reduced

If **your** legal liability arises in any way from **pollution** and it is not excluded under 'what is not covered' then the most **we** will pay for **your** legal liability plus **costs and expenses** is the **limit**.

We will not pay the **excess**. This must be paid by **you**. The **excess** applies to **your** legal liability for damages and **costs and expenses** in respect of each claim or series of claims arising from the same original cause.
